FROM THE PRINCIPAL’S PEN

Kalkie’s Got Talent
Another successful year with some brilliant performances and very entertaining. Thanks to the families who came along. I am sure your children appreciated your being there. Thanks also to the judges- Mrs Pratt, Mrs Hayhoe and Mrs Halpin for giving up their time to support our young people. Congratulations to all the performers.

The winners this year were:
First Place Double Trouble- Kasey and Claire
Second Place TKI- Tara, Kate and Isla
Third Place Sianice

Kalkie 5 C
HOW TO BE A COOPERATIVE PERSON

✔ LISTEN carefully to others and be sure you understand what they are saying.

✔ SHARE when you have something that others would like to have.

✔ TAKE TURNS when there is something that nobody wants to do, or when more than one person wants to do the same thing.

✔ COMPROMISE when you have a serious conflict.

✔ DO YOUR PART the very best that you possibly can. This will inspire others to do the same.

✔ SHOW APPRECIATION to people for what they contribute.

✔ ENCOURAGE PEOPLE to do their best.

✔ MAKE PEOPLE FEEL NEEDED. Working together is a lot more fun that way.

✔ DON’T ISOLATE OR EXCLUDE ANYONE. Everybody has something valuable to offer, and nobody likes being left out.

Thanks to the P&C
Many thanks to the P&C for a successful disco last Friday night. The hall looked amazing thanks to the decorators and the kids had a great time. There were lots of prizes and fun was had by all.

Maureen Colman
PRINCIPAL
Congratulations to the following students, who were awarded Worker of the Week on Friday 22nd May, 2015.

**PW** Kai 3/4G Tara
**PH** Adison 4K Eric

Please ensure money is placed into an envelope and clearly marked with your child’s name, class, amount enclosed and “School Performance Tours”

---

**Important information for the enrolment of students into Year 7 at Bundaberg State High School in 2016**

The following information is provided by Bundaberg State High School so parents of students currently in Year 6 can prepare for a seamless transition between primary and high school. There are two possibilities for planning your enrolment.

**If your family resides in the approved catchment area:**

If your child lives **within** the catchment area for Bundaberg State High School, an ENROLMENT REQUEST FORM can be collected from the Bundaberg State High School office from Wednesday 15 July. This Enrolment Request must be submitted to the Bundaberg State High School Office prior to Friday 31 July when other forms will be provided to the parent/carer.

All these enrolment forms must then be brought to the school on ENROLMENT DAY - TUESDAY 4 August in the school Assembly Hall at either 3:30 pm or 5:00 pm.

All families are reminded of the need to have **PROOF OF IDENTITY** for the student and it is suggested that you organise Birth Certificates NOW so they can be submitted with the ENROLMENT REQUEST prior to 31 July.

**If your family DOES NOT reside in the approved catchment area:**

If your child currently lives **outside** of the approved Bundaberg State High School catchment area you must write to the Bundaberg State High School Principal seeking and exemption from the Enrolment Management Plan detailing clear reasons why it is necessary for the student to attend Bundaberg State High School as opposed to other high schools closer in proximity to your residential address along with a copy of the student’s most recent academic report. To apply for special consideration enrolment or for further information please e-mail the Principal, Mrs Karen McCord at Principal@bundabergshs.eq.edu.au or contact the Enrolment Officer on 4154 5333.

If you are unsure of the approved ‘catchment area’, please refer to the school’s web-site or phone the Enrolment Officer at the school.
**DID YOU KNOW?**

**ADMINISTRATION OF MEDICATIONS**

*Communication with the School*

- notify the school if the student requires medication during school or school-based activities (including camps and excursions) via a request to administer medication at school permission form, completed and signed by the parent and the prescribing health practitioner, if the student has a chronic (long term) medical condition and requires routine or emergency medications
- notify the school in writing of any requests and/or guidelines provided by the students' prescribing health practitioner concerning medication administration
- consult with the school to develop an Emergency Health Plan if emergency medication is required for the student
- notify the school in writing (with an accompanying letter from the prescribing health practitioner) when changes occur to the students' routine or emergency medication
- notify the school in advance (in writing) if medication is being transported with the student for purposes other than administration at school (respite, shared parental arrangements)
- advise school in writing and collect medication when it is no longer required at school.

**SPORTS NEWS**

**Interschool Sport:**

Sport started last Friday and seemed to go well. Students I asked commented they enjoyed playing against other schools. *If your child uses the early bus, please make alternative arrangements* as buses are always late back to Kalkie. If your child forgot their $4.00 last week, please ensure they bring this along with their payment for this week. Thank you.

**LOTE NEWS**

**A Lote Note:**

This week's homework in LOTE is to bring photos of 3 or more family members to school to enhance a written description in German about each student's family in a mini-scrapbook or chart format. Students are welcome to bring along a USB and print their photos before school, at lunch time or just after school in the library if required. We have been learning about the many adjectives we can use in German to describe our family. The response so far has been great, especially from 6K. Many students are making a great effort with learning a new language and to further recognize these efforts, a LOTE NOTE has been introduced to be sent home with a positive message about any child's outstanding work during the week.

Alles Gute,
Frau Huber

“Languages – expand your horizons”

**This Week in the Library**

Every year a picture book, written and illustrated by an Australian author and illustrator is selected by the Australian Library and Information Association to be read simultaneously by families, schools, libraries and other wonderful book places around the country. This year *The Brothers Quibble* is the book chosen. This week students are sharing the story using the Storybox website. On Wednesday 27th break the library will be open for all students to read the book and watch a clip with librarians acting out the story. Check out the story yourself with Aaron Blabey.

[https://www.youtube.com/watch?v=YqyY4zJ4Dx](https://www.youtube.com/watch?v=YqyY4zJ4Dx)

**May is National Family Reading Month - Read More in May!**

May's National Family Reading Month concludes this week. Get your reading logs to Ms Rose as soon as possible to be eligible for school prizes.

1. Record the number of minutes you spend reading on each day in May. (Use the first days of June to catch up if needed.)
2. Students and their families tally up the total minutes spent reading during May.
3. The total reading minutes can be entered online from the 1-15 June for a chance to win great prizes!
4. The child in each State and Territory that records the highest amount of Reading Minutes in May will **WIN $250 worth of vouchers** for their family to spend on Book Clubs and Book Fairs. The school in each State and Territory that records the most Reading Minutes will **WIN $600 worth of books** plus a perpetual trophy with the school name engraved on it, to keep for a year!

The more families that participate in National Family Reading Month the greater chance Kalkie has of winning the grand prize of $600 worth of books! I hope the month of May 2015 has filled your household with many hours of delight, as you experience the pleasures and benefits of reading every day!

Visit the webpage, open until June 15 for more information and links.

## Sam's Diabetes Story

This book has been donated to the library by the Terlier family. It can also be downloaded as an eBook from the following website:

Sam Webb was 11 years old when he was diagnosed with type 1 diabetes.

Three years after his diagnosis Sam wrote "Sam's Diabetes Story" to help other kids learn about his condition, and the everyday struggles he faces.

Sam Webb was 11 years old when he started to get tired a lot and feel sick all the time.

He was a typical, active kid who loved sports and his family couldn’t understand why their happy little boy had become so ill and withdrawn. A quick blood test at the doctor’s surgery revealed the cause of Sam’s sickness — type one diabetes.

Type one diabetes occurs when the body is unable to produce its own insulin.

Unlike many cases of type two diabetes, it is not a lifestyle disease and cannot be cured.

Three years after his diagnosis, the 14-year-old Centenary Heights High School student has now told his story to help other kids learn about his condition.

At first, he struggled with regular needles and felt angry and disappointed he had to cope with something other kids didn’t. A while down the track he discovered insulin pumps, which automatically administer the insulin he needs. “We were given a class project to write a story and I decided to write about diabetes,” Sam said.

I wanted to help other kids with diabetes and let them know they shouldn’t get upset.

“Getting upset will never help and you get used to it over time.”

Sam’s mum Robyn Webb said he still has the odd hiccup, like when his insulin pump broke and he wouldn’t eat, but with plenty of support from Diabetes Australia, life goes on. He has his diabetes under such good control now he managed to cycle 100km last Sunday as part of the Wilson HTM Brisbane to Gold Coast Cycle Challenge, and did it easily (apart from a little crash on the way). His story has been rolled out in schools across the state by Diabetes Australia (Queensland) to raise awareness and get people talking about diabetes. The story and additional resources are also available for download at

www.diabetesqld.org.au

## Library Legends

The winner of the Library Legends trophy last week was 2/3M, the first class to have two engraved shields. The trophy will now reside in their classroom for the week with their class name engraved on one of the shields. To win, the class must have the highest number of borrowers for their borrowing week.

## Lucky Borrower

Last week’s winner was Jed in 4K.

### Week Commencing Monday 1st June, 2015

Thursday 4th June, 2015 HELP URGENTLY NEEDED

Friday 5th June, 2015 HELP URGENTLY NEEDED

### Week Commencing Monday 8th June, 2015

Thursday 11th June, 2015 HELP URGENTLY NEEDED

Friday 12th June, 2015 HELP URGENTLY NEEDED

Thank you

Tanya Jiggins

Tuckshop Convenor
School Disco
Last week the P&C held our first Disco for the year! And what a fun night it was! Thank you to everybody who came along and helped out on the night. We also had a raffle to raise money for victims of Nepal earthquakes and we will donate that money to The Red Cross Appeal on behalf of Kalkie School.

Pie Drive
Pie Drive order forms came out last week and are due back this Friday the 29th of May. They will be collected from the Office at 8:30am. No late orders can be accepted after this time. Delivery day is the 10th of June – perfect for easy winter dinners.

Winter Uniform
Also the winter uniforms and jackets are due to come back from being embroidered with the school logo and will be delivered to the students as soon as possible.
