FROM THE PRINCIPAL’S PEN

Nominations Open
Outstanding educators at Kalkie!! The Australian Scholarship Group supports the National Excellence in Teaching Awards. Nominations are now open for this award. If you would like to nominate one of our teachers who you believe is an outstanding educator, nominate them online at asg.com.au/nominate. Make a teacher’s day. Nominations close July 31.

Mayor’s Breakfast
The school captains and I had a delightful early breakfast last Friday at the Mayor’s Chaplaincy Breakfast. The guest speaker, Andy Gourley is the founder and director of Red Frogs. He is an integral part of the volunteers who provide support for teenagers at schoolies week. He had some amazing stories to tell and some important messages to pass onto our young leaders of the future.

Kalkie Cook Book
The P&C is putting together a cook book which I encourage everyone to contribute to. The school has some wonderful cooks/bakers in its community and it would be fantastic to have the recipes shared so more people could enjoy the delights. Don’t keep those recipes handed down through families or created by skilled cooks a secret, pass them on by emailing the recipe to admin@kalkiess.eq.edu.au or bringing them to the office.

Cooperation in the family

Your family is the most important ‘team’ that you will ever work with. To be successful everyone in the family needs to:

- respect each other
- respect each other’s space and belongings
- listen to each other
- do chores at the right time and willingly
- learn how to work out problems without fighting each other
- communicate well so that everyone knows what is happening
- spend time together as a family
- celebrate each other’s successes and support each other through the sad times
- learn to share.

NAPLAN

NAPLAN is over for another year and the students worked hard through this testing period. Thanks to parents who ensured their child had a good night’s sleep and a good breakfast on the day. Your child’s results will be available later in the year but please remember this is a point in time test and only gives you a small piece of information about your child’s achievements. It does not determine who they are or what they could become.

Even though NAPLAN is now behind us for the year we are still forging forward with our Explicit Improvement Agenda. We have high expectations that all students will improve in Reading, Writing and Number Facts and teachers are implementing explicit teaching strategies to ensure the best teaching and learning outcomes. Your child will also have their own learning goals to keep their focus on their improvement.

A reminder to parents/carers to notify the school about your child’s emergency contacts

Kalkie State School is committed to supporting students’ health and wellbeing. We would appreciate that parents/carers provide the school with any relevant changes to their contact details to ensure that they are up to date. This information is required in case of any emergency or medical condition that you as the parent/carer is required to be notified of. Although this information is collected at enrolment, it needs to be updated regularly and unfortunately there have been incidences where the home phone numbers and/or emergency contact numbers have been disconnected.

To details, you can do either of the following:
- Register details through our website: www.kalkie.s.eq.edu.au and click on the update family details button
- Forward and email with details to info@kalkie.s.eq.edu.au
- Send in written notification with your child to the administration office or
- Telephone the school on 07 41507444

KALKIE KIDS PLAYGROUP

This week at Playgroup, we were invited to come to the library to join in the One Book One Bundy program Ms Rose and her team put together which features the book Hattie and the Fox by Mem Fox. There were lots of cool activities like sand and water play, playdough, face painting, musical instruments and a puppet show!! I will post the photos from our fun in next week's newsletter!!

Thank you to everyone who helped us at the working bee in the prep / playgroup playground. It looks great. The kids who also came along had lots of fun doing painting of their own and other activities in the playgroup room.

Kalkie Kids meets every Wednesday morning during the school term from 9-11am. You can find us in the Prep Room (closest to the road). If you are a Mum, Dad, Grandma, Grandad, or friend who is the care of a child from birth to 5 years old, come along and join in the fun. Everyone is welcome, so please invite your neighbours and friends as well. It's only $2 per family.

Here are some photos of some of the kids at the working bee on Sunday .........
