FROM THE PRINCIPAL’S PEN

We are continuing to focus on Cooperation this month. This is a very important attribute to have as we all need to get along with others. Dr. Susan Bartell, child psychologist and author of The Top 50 Questions Kids Ask [Sourcebook, 2010], offers the following quick tips for teaching children to get along with peers:

- Role model empathy and cooperation in adult friendships and relationships (kids learn from watching).
- When playing with children, don’t always let them win. This teaches frustration, tolerance and the ability to play with others in all circumstances.
- Be prepared to intervene and help kids negotiate difficult situations, they aren’t old enough yet to work it out themselves. Young children need guidance. They need an adult to give them the words and to teach them how to see the other person’s point of view.

Congratulations Drum Band
The drum band performed magnificently last Thursday at the Bundaberg Show. Four new players were introduced to playouts and they were joined by four past students.

Indigenous Wellbeing Centre (IWC)
The IWC are conducting Hearing Assessments on June 15 for all indigenous students as well as non-indigenous students whose parents or
teachers nominate them. If you would like to have your child/ren’s hearing tested please collect the necessary forms from the office.

Winter Uniforms
With the onset of winter it is timely to remind you the winter uniform consists of the Kalkie school shirt, black track pants, royal blue jumper WITHOUT a hood and black shoes and white socks. The P&C also order and sell winter jackets which are quite smart. A reminder about acceptable jewellery as well. Students are not allowed to wear necklaces, bangles or wrist bands unless a child has a medical alert bracelet. Rings are not allowed to be worn unless it is a signet ring and ear rings are to be sleepers or plain studs. Thanks for your cooperation and commitment to following our school dress code.

Reading
Remember this chart; it is a great reminder that reading is truly very valuable to each and every child. Reading is a valuable tool that aids in everything we do.

Writing
As you know writing is one of our key explicit improvement agenda items. I have just come back from visiting classrooms and have seen some fantastic writing in 2G. Given it is the first day of winter they wrote some great sentences about why they loved winter. The students used some wonderful noun groups to describe their feelings. Great work 2 G

Our Own Cookbook
It has been a long time since Kalkie has put a cookbook together. The last one was called Kalkie Kulinary Kapers in 1994-1995 and there are some recipes from current parents who were children at the time and also some staff that are still here. While there are some tried and true recipes there are some that wouldn’t pass muster in today’s age. Now is your opportunity to contribute to the new look Kalkie Kulinary Kaper’s with recipes that you love cooking and your family loves eating, maybe some gluten free and other food sensitive diet recipes as well. Get those fingers working at the keyboard and email admin@kalkiess.eq.edu.au with your delights. Thanks to those who have already sent recipes in.

Face Book Activity
You will have noticed a fair amount of activity on Facebook recently. This is due in part to parents and carers returning the permission slips and Miss Hale predominately posting events on a regular basis, this takes time and commitment so thanks Miss Hale. I would also like to acknowledge Hannah our P&C president who also takes time out of her busy life to post as well.

Recycle Batteries
If you have any old acid battery laying around at home from a bike, car, boat, ride on, tractor, we have a recycle bin in the bottom car park next to the Endeavour bin. Please bring them in and place them next to the container. Not only will you be helping the environment you will also be helping us raise money for the school. Thanks!

KALKIE KIDS PLAYGROUP

This week at Playgroup, we got to drive convertibles...(well, nappy boxes converted into cars - same thing). We also designed our own cars by gluing different shaped pieces of paper onto a bigger piece of paper and we ended up with some pretty cool looking cars. We also had car colouring in, car stories and even car food!!

Kalkie Kids meets every Wednesday morning during the school term from 9-11am. You can find us in the Prep Room (closest to the road). If you are a Mum, Dad, Grandma, Grandad, or friend who is in the care of a child from birth to 5 years old, come along and join in the fun. PIE DRIVE DELIVERY DAY
The Pie Drive Delivery Day is set for this Friday 3rd June. All pies need to be collected from the hall between 12:30pm – 3pm. If you have an extra large order (20+ pies), we will contact you as soon as it is ready for you to collect early if you can. Thank you again to all for supporting this year’s pie drive.

DISCO
Our next school disco is on Friday 17th June! The theme is set as The Rio Olympics. It will be held in the school hall, from 5:30pm – 7:30pm. We will have a sausage sizzle and the canteen open for food, drinks, and other treats. $2 entry, raffle, prizes for most creatively dressed (can’t wait to see what everyone comes up with), lots of fun for all. See you there.

KALKIE TEA TOWELS
Over the past few weeks, we have been working on a project to make a Kalkie Tea Towel for 2016. The unique tea towel design will be made up of individual portraits created by all of our students and staff. The children’s pictures and names will be arranged together as a commemorative design for the whole school, and then screen printed in blue onto high quality white tea towels (50cm x 70cm). We choose tea towels because the project involves the children, provides a wonderful keepsake and makes a meaningful gift for parents, relatives and special friends. The tea towels look amazing and are easy to post and make a fabulous reminder of your child’s early years. We will have a sample to display at the office in the next few weeks. More details on how to get your tea towels will be out soon.

P&C MEETING
Our next meeting will be held on Monday 20th June at 6:30pm in the school library. All are welcome. We hope to see you there.
