FROM THE PRINCIPAL’S PEN

The end of Term 2 is here and what a busy term it has been. Everyone has worked so hard to achieve the best they can. Our recent testing in reading and number facts has shown some significant improvements and the students can be very proud of their achievements. Well done everyone! Thanks very much to everyone this term for all your commitment and cooperation, it has been wonderful. It is now time to have a well-deserved holiday, enjoy the sunshine and have fun. Please be safe and come back rested and excited for Term 3

Reading Over the Holidays
The June-July holidays are a great time to get in as much reading as possible. It is definitely important to get outside to catch the sun and get some exercise but when those blustery days hit it is a fantastic opportunity to curl up with a book. Switch off the TV, game machines, iPads and other electronics and get out a book and Read, Read, Read.

Kalkie 5 C
"I want to quit!" is becoming as prevalent as the droning chant "Are we there yet?"
As parents, it exasperates us and as educators, it is like nails across the blackboard. But perhaps what is most frustrating is that we find children are losing respect for commitment. Whose fault is that?

While we do not want to point fingers and place blame, it is important to reflect on the question of responsibility. Teaching respect for commitment is somebody’s job. It is often left to parents to teach these lessons, but nobody can teach this alone.

Perhaps, where we all go wrong in teaching respect for commitment to children is that we talk about it when commitment is already an issue. This is a common mistake.

Well intentioned adults are often guilty of talking about being strong in character once a weakness in character is detected. For example, we talk about respect when a child is being disrespectful and we talk about fairness when a child is being unfair. The secret is- and perhaps we should all listen closely- that we need to teach strength in character when a child is showing strong character. Recognise it, point it out and praise it! Excerpt taken from Dr Robyn Silverman.

Sports Day
The students are now getting ready for sports day which is happening the second Thursday back in term 3. We are encouraging them to get into the spirit of the day making sure they wear their sports shirt, make streamers and possibly colour their hair. This is a great event where team work, pride in their house and above all sportsmanship is applauded. Parents and family members are all welcome to come and cheer and join in the spirit of the day.
Staff Leave

A couple of staff members are taking some extra time after the holidays for a little extra time off. These are Mrs Morrison who will be replaced by Mrs Black and Mrs Gorman. We wish them a happy and restful time.

Broadband and Wireless Upgrade

The last 2 weeks, while a little frustrating for us having workmen in and out of offices and classrooms has resulted in the schools internet access greatly improved. All classrooms now have Wi-Fi access and the school has been upgraded to Broadband. This capability will certainly improve our internet access and give us more scope in learning areas to include additional programs for students’ learning.

Premier’s Reading Challenge
The reading period for the 2016 Premier’s Reading Challenge has now commenced. As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature. This year, the Premier has challenged all school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 and 6 to read 15 books by 28 August. Prep to Year 2 students can experience books through shared reading, listening to stories or reading picture books. As the Premier’s Reading Challenge coordinator I have registered all the students at Kalkie. Now all the students need to do is read and record the titles and authors of the books on their reading challenge cards. Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier. For more information about the Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge.

Students can collect copies of the reading log from the Library or download a copy from this address. http://education.qld.gov.au/schools/readingchallenge/downloads-and-forms.html
