FROM THE PRINCIPAL’S PEN

Welcome Back
Welcome back to Term 3, I hope everyone had a fantastic holiday. It looks to be another exciting term beginning next Thursday with Sports Day and moving on to many and varied events. This includes the Razzle Dazzle School Musical happening August 26 at 6.30pm. The students have been practicing for this for some time and I am sure it will be a spectacular event so please put this night aside.

Student Absence
You may have seen or heard about the department’s move toward informing parents of same day student unexplained absence. As of 2017 we will be advising parents via text message if your child is away and we have not been informed. Therefore, it is important for parents to keep us informed of your correct contact details as well as advising us when and why your child is away from school.

School Opinion Survey
A random selection of families will have received an information sheet regarding the School Opinion Survey with login details this week. The School Opinion Survey is completed by parents, students and staff on an annual basis and gives us valuable information to plan for the future. To make it easier to access the survey a Quick Link has been placed on the school’s website. You can be assured your reply to the survey is completely anonymous and you cannot be identified in any way. The online survey opened July 11 and closes July 29. Last year we had a large number of parents complete the survey and I urge you all to do so again this year. Many thanks in anticipation.

Kalkie 5 C
CARE is the focus this month. That is caring for oneself, others and the environment. It is the simple, everyday things that make a difference and can bright up a person’s life. Just a smile, asking ‘how are you’, helping each other and showing compassion are a couple of things that can lead to the giver and receiver feeling much better and having a wonderful day. Teachers are concentrating on this 5 C and reinforcing those aspects of care that make the world a better place.

Explicit Improvement Agenda
We will continue the focus on reading comprehension, writing and number facts this term. We saw a marked improvement in reading in last terms testing and the introduction of Rocket Writing is making a difference to the quality of student writing.

Out of Hours School Care (OHSC)
The OHSC at Kalkie is a valuable program that we have worked to get for a long time. The quality program provides friendly, supportive environment for children before and after school. I would strongly urge parents to consider this program and I believe you will find it more economical than others in the area. Please have a look at the information below.

Pick Up and Drop Off
Just a reminder that school does not start until 8.40am and students are not to be at school until the first bell at 8.10am. School finishes at 2.50pm
and staff are on duty after school until 3.15pm. Please ensure your child comes to and leaves school within this time frame. Also a reminder when picking up and dropping off use only the allocated parking on Bargara Rd and Zeilke Ave, The staff parks and bus and loading zones are not authorised parking areas

**STAFF PROFILE**

**MEET JUDI KEIGHTLEY**

Who is your hero and why? My Dad. He was so wise and clever.

What colour is your toothbrush? Bizarre question!!! As there are six in our family we have favourite colour toothbrushes so they never get mixed up. Tara and I both love pink so it is a little challenge at times to find two obviously different pink ones!!

What was your most unusual pet and what was its name? A koala "Blinky" lived with us for 15 years as she had a paralysed paw and would not have survived in the bush (we used to say my Mum's 7th child). We had to get her fresh eucalypt leaves every day and she would come inside our house sometimes.

What famous person do you look like?? I asked my class and they said “Star girl” (not sure who that is), "Elsa" from frozen, "Bob the Builder" (thanks Parker), "You look like Mrs Keightley" and "Barbie", take your pick!

What would your superhero name be and what superpower would you have? "Super Fix All" and I would fix all the problems given to the player improving their overall performance.

**INTERSCHOOL SPORT AWARDS**

Kalkie students participated in a 5 week Interschool Sport program last term. Congratulations to ALL students on your participation, attitude, behaviour and sportsmanship each week. Students will participate again in another 5 week sport program this term, commencing on Friday 12th August. (More details to come).

Coaches selected various students from their teams to receive the following award ribbons:

- Best and Fairest Given to the player whom the coach feels contributed the most to the team, taking into account attitude, attendance, skill and performance.
- Most Improved Given to the player improving their overall skill level, attitude and sportsmanship.

Premier's Reading Challenge
The reading period for the 2016 Premier's Reading Challenge has now commenced. As well as being fun, the challenge aims to boost children's literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature. This year, the Premier has challenged all school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 and 6 to read 15 books by 28 August. Prep to Year 2 students can experience books through shared reading, listening to stories or reading picture books. As the Premier’s Reading Challenge coordinator I have registered all the students at Kalkie. Now all the students need to do is read and record the titles and authors of the books on their reading challenge cards. Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier. Students at Kalkie received their reading challenge card at the end of Term 2. If your student has not received one yet, please come to the library.

For more information about the Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge

Attached is a copy of the Reading Log. Students can collect new copies from the Library or download a copy from this address. http://education.qld.gov.au/schools/readingchallenge/downloads-and-forms.html
