Consideration is the focus for this month. When a child focuses on learning in the classroom not only does this show commitment but also consideration. If a student is focused on learning they are being considerate by letting others in the class engage in learning as well. We have high expectations that each and every student will do their very best. Demonstrating consideration and commitment to learning enables everyone to achieve their best. As parents you play a valuable role in encouraging your child to do their best. Research has shown that a child just thinking about parents is enough of a reminder for them to remember what is expected of their behaviour.

Under 8’s Morning
Next Wednesday August 10 we are holding our Under 8’s morning from 9-11am. All students from Prep-Year 3 are involved along with any children from nearby kindy’s who want to come along and prospective students for next year. I thank everyone in anticipation for your support and encourage parents to spread the word about this event.

CUA Grants
We need your votes to help us win $5,000 to go towards senior play equipment! There are only a few weeks left to vote for our school project to win $5,000 from this year’s CUA Community Care program. Thank you to everyone who has voted so far. There are still three weeks left to vote, so if you haven’t already voted, please vote now! You can register your vote at www.cuacommunitycare.com.au or go to the local CUA branch at:

16 Maryborough St, Shop 35, Hinkler Central SC
Bundaberg
QLD 4670
Branch Manager: Karen O’Rouke
Phone: (07) 4331 7300

Don’t forget – you can make a vote once online and once in the branch. We’re up against 10 of other schools in the area and it’s down to who gets the most community votes. So, please feel free to get friends and family involved and voting as well!
To learn more about CUA Community Care and our school project proposal, please visit www.cuacommunitycare.com.au and select our school from the drop-down menu.

Remember, voting closes at 4:30pm (AEST) on Tuesday 23 August.

RECYCLE BATTERIES
Have an old acid battery lying around at home from a bike, car, boat, ride-on, tractor? We have a recycle bin in the bottom car park next to the Endeavour bin. Please bring them in and place them next to the container. Not only will you be helping the environment, you will also be helping us raise money for the school. Thanks!

KALKIE KIDS PLAYGROUP

Last week was a pretty handy week at Kalkie Kids. We did a special art project involving all of the kid's hand prints on a canvas. It looks amazing! We still have a couple more little hands to put on it so stay tuned for a photo of that coming soon. We also had a visit from some of the year 5 and 6 kids who made the prep playground look even more bright and colourful with their hand prints. Thanks guys for helping out with that - it looks great! Take a look at the photos attached.

This week was DINOSAUR DAY!! We had a rip-ROARing time doing lots of activities involving dinosaurs. There was colouring in, dinosaur cut outs to decorate, dinosaur water painting, lots of little dinosaurs to play with (they even played in our playdough!), and we made our own colourful dinosaurs using paper plates and cardboard.

If you would like to come along to Playgroup and meet some new friends, we meet in the Prep room closest to the road, every Wednesday morning during the school term from 9-11. Cost is only $2 per family and everybody is welcome!

What do you call a dinosaur with only one eye? An Idon'tthinkhesaurus!

Have a great week!

SCHOOLS TREE DAY FRIDAY 29 JULY

Every class at Kalkie planted a tree for Schools’ Tree Day and will endeavour to look after their tiny tree during its establishment. With so many children caring for each tree, how can we fail?

BOOK WEEK & PAINT BUNNY REaD hatch

Bundy’s new Reading Mascot

Kalkie Resource Centre is currently hosting a Reading Egg touring around Bundaberg school libraries and child care centres to launch Paint Bundy REaD in the lead up to Book Week. Inside the egg is the animal which will become the new reading mascot for Bundaberg. The egg has been gifted to the children of Bundaberg to care and look after until they hatch during 2016 Book Week activities. Follow the egg’s adventures around Bundaberg on the Bundaberg Regional Libraries and Wide Bay Kids Facebook pages. (@BundyLib and @WideBayKids).
Paint Bundy REaD is a children’s program that encourages everyone in the community to read, talk, sing, yarn, rhyme and move with children from birth, to help children bond with their parents and loved ones as their learn to read and write.

PREMIER’S READING CHALLENGE

The reading period for the 2015 Premier’s Reading Challenge continues. As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature. This year, the Premier has challenged all school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 and 6 to read 15 books by 26 August. Prep to Year 2 students can experience books through shared reading, listening to stories or reading picture books. As the Premier’s Reading Challenge coordinator I have registered all the students at Kalkie. Now all the students need to do is read and record the titles and authors of the books on their reading challenge cards. Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier.
For more information about the Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge.

Students can collect new copies of the reading log from the Library or download a copy from this address.
