NAPLAN Results
I am very proud of the great results we achieved this year. Kalkie students have done extremely well. Well over half of our year 3 students (66.7%) are in the top 2 bands for Reading, Spelling and Grammar and Punctuation and almost half are in the top 2 bands for Writing and Numeracy. The relative gain for our year 5’s students from year 3 is wonderful with some of them moving 4 or 5 bands higher. An awesome job everyone!!!!!

Kalkie 5 C
August sees in the month of Consideration. One of the easiest personality traits that we can teach children is consideration. Yes the word may be confusing and difficult to understand to a child, but they will learn how to be considerate by performing very simple tasks. While teaching children to be considerate, we will ultimately see that consideration breeds many positive attributes including self-respect, respect for others, responsibility, and independence. These traits are truly admirable and will mould and shape our young ones into the adults that we have always wanted them to be. You might like to ask your child what their consideration goal is for this month and then revisit it at the end of the month to see how they went.

Kalkie’s Cane 2 Coral Team
Congratulations to Bella, Angelina, Jett, Sophie, Ben and Michelle who ran in the Cane to Coral on Sunday. They started at the 4km point and had a fantastic run and came second of the school’s teams. They earnt themselves $300 to give to the charity of their choice and decided it was going to the Leukaemia Foundation

Under 8’s/Open Morning
Yesterday saw a wonderful morning of fun and activity with many thanks for the support of our wonderful parents. Everyone had a wonderful time including staff, students, parents and our new preps for next year.

A Huge Thanks
Cane to Coral was successful again this year. As you know Kalkie is the start of the 8km race and many participants look to us each year for parking. A big thanks to Stacey Appo, Dale Chandler and Graham Maskiell for braving the early hours of the morning to park cars and direct traffic. From personal experience I know that not all people affected by this event are happy the roads are blocked for the short amount of time so the volunteers need a big round of applause for dealing with some frustrated people.
Another Recognition
Each Tuesday and Wednesday morning volunteers from the Dream Centre Christian Church come and run the Brekky Club for us and their service is invaluable. However, what we fail to recognise sometimes are those who generously donate goods for the club. For some time now Brumby’s and the Food Works at the Five Ways have provided us with bread for toast. So when you walk through the school and smell the aroma in the morning coming from the tuckshop think of them.

CANE 2 CORAL
Written by Bellah 4K

On Sunday the 07/08/2016 there was a run called CANE 2 CORAL and some of the Kalkie students ran it. The team was called “Kalkie Kelpies”. We ran 4km in a team of 5 including Bellah, Angelina, Ben, Sophie and Michelle (Ben’s mother). There were also some students who ran 8km – Eddy, Tommy, Leanne and Col for Kalkie State School. So, if you ran 4km or 8km - Congratulations! We won $300 that we will donate to a foundation of our choice. So we kindly donated to the Leukaemia Foundation because we wanted to help out. Next year we are going to put together another group, but we are going to do 8km as it starts at our school and anyone can do it. Next year we want a bigger and better group so we can come first for the Primary Schools and hopefully win $500 to donate!

GIRLS CRICKET TRIALS:
If any girls 10-12yrs are interested in attending the Bundaberg Zone Girls Cricket trials next week please see Mrs Smith. Girls DO NOT need cricket knowledge…just a good throw/catch, aggressive batting and a willingness to learn new skills. The trials will be next MONDAY 1st August at Walkervale SS from 3.30-5.00pm. The Bundaberg team will play in a carnival in Maryborough from 10-12 Sept. Mrs Smith is the Manager of the team, so if you are interested please see her for further information.

BOYS CRICKET TRIALS:
Any boys who play club cricket (10-12yrs) and would like to attend the boys cricket trials for Bundaberg Zone Sport, please see Mrs Smith for further information. Trials begin Monday 15th August.

SALTER OVAL/JUMPS DAY RESULTS:
The two carnivals of the 2016 Interschool Athletics Carnival were held last week, with Jumps Day at St. Luke’s, on Thursday 4th August and Salter Oval Friday 5th August. A contingent of over 60 Kalkie students and three staff members attended.

This year we were very successful in WINNING the PERCENTAGE TROPHY for “B” SCHOOL. We achieved some excellent individual and team results, contributing to the Kalkie total. This total score is then divided by our enrolment. The students who attended were well behaved and represented Kalkie with pride and determination. CONGRATULATIONS TO ALL COMPETING STUDENTS!

A BIG thank you to students who were reserves and attended trainings each week. Many thanks to the following staff members for giving up their spare time to help coach the students and preparing them for competition:- Mrs Caldwell, Mr Groundwater, Mr Bryant, Mrs Hayes, Mrs Hutcheon, Mr Keightley and Mr Tilley. Special thanks to Mr Tilley for having all the equipment ready for training each week and erecting the tents at our venues.

Following the recent competitions, 4 Kalkie students will continue onto the next level, where they will be representing the Bundaberg Zone. Coen (Multi events), Dawson (200M & 800M) and Brodie (discus) will now be competing for Wide Bay selection in Kingaroy on Wednesday 24th August. Good luck to these athletes!

THE READING EGG VISITS KALKIE STATE SCHOOL
Last week, Kalkie Resource Centre hosted a Reading Egg touring around Bundaberg school libraries and childcare centres. From Kalkie’s playgroup and Preps to Year 6, students got involved with reading to the egg or choosing and finding great books to read to the egg, based on their predictions about which animal will hatch during Book Week.

Years 1 to 4 were busy reading to the egg all last week and came to the library before school and during breaks to read more stories. Students even brought their parents into the library after school to check out the egg.

Years 5 and 6 chose suitable books matching their predictions and adding to the book collection for younger students to read when they come to the library. In class we continued to share the Book Week nominations as children carefully passed the egg around, listening and watching to see the egg grow!

While students have suggested many different animals might hatch, the most popular suggestion has been a turtle. Everyone is looking forward to the egg hatching to see if their guesses are right! Follow the egg’s adventures around Bundaberg on the Bundaberg Regional Libraries and Wide Bay Kids Facebook pages. (@BundyLib and @WideBayKids).

PAINT BUNDY REaD is a fantastic project aimed at increasing early year’s literacy levels in Bundaberg and will be launched in Book Week. It’s hatching time on Monday, August 22, 2016 between 9:30 and 11:30 am at Buss Park, Bourbong Street in Bundaberg. Paint Bundy REaD is very egg-cited to invite children, families and schools are invited to the birth of your Paint Bundy REaD Reading Mascot! Come and see what’s been growing inside Bundaberg’s mystery Reading Eggs. On the day there will be loads of activities going on.

SUMMER OLYMPICS – 5 TO 21 AUGUST
This week students have been following the Olympics and Australia’s medal count. We’re exploring three great websites to keep up-to-date and learn about Olympic sports, Brazil, Rio and even some Portuguese phrases. http://rio2016.olympics.com.au/ - The Australian Olympic website has the medal tally, a list of the athletes and information about their chosen sport and a place to send fan messages. https://www.olympic.org/ - The Official Olympic website also offers great information. http://www.timeforkids.com/destination/brazil - Time for Kids Around the World is a kid-friendly site that has a Brazil challenge and lets kids hear Portuguese spoken!!

PREMIER’S READING CHALLENGE
The reading period for the 2015 Premier’s Reading Challenge continues. As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature. This year, the Premier has challenged all school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 and 6 to read 15 books by 26 August. Prep to Year 2 students can experience books through shared reading, listening to stories or reading picture books. As the Premier’s Reading Challenge coordinator I have registered all the students at Kalkie. Now all the students need to do is read and record the titles and authors of the books on their reading challenge cards. Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier. For more information about the Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge.

Students can collect new copies of the reading log from the Library or download a copy from this address. http://education.qld.gov.au/schools/readingchallenge/downloads-and-forms.html
