FROM THE PRINCIPAL’S PEN

Kalkie 5 C’s
Consideration is the focus for this month. Our students demonstrated a wonderful example of Consideration during our Under 8’s/Open Morning for new Preps coming in next year. They took turns, waited patiently, listened to the staff and parent helpers, were kind to our visitors and used their manners. Because of this, everyone had a fantastic morning. Thanks to everyone who contributed to such a wonderful event.

Under 8’s Day
Many thanks to all the volunteers that took time out of their day to help us on the morning. It was a fabulous day and lots of fun was had by all. I apologise if I have missed anyone.

Kalkie State School

A red and black ‘SanDisk’ 8GB USB stick on a blue Department of Education lanyard has been removed from a computer in E-Block. If found please return to the office or Mr Kreis in Year 4K. This item holds significant personal value as it contains curriculum documents that have been developed over the years.

Razzle Dazzle
The BIG night is just about here, the one performance the students have been practicing for during terms 2 and 3. Certainly a lot of effort, time and creativity has gone into the production. Please come along and enjoy the show.

Reading Comprehension Strategies
Questioning is one of the strategies we are concentrating on this term which includes readers asking questions of themselves, the text and others during the reading process. In asking and answering questions the reader gains a deeper understanding of ideas, actions, events and information in the text.

Skilled readers ask themselves questions before, during and after reading. Here are some of the questions that may be relevant and parents can encourage the use of the questions at home.

Before
- What is this book going to be about?
- What do I already know about this?
- What is happening in this illustration?
- What will I read first?
- What will this character do?
During
- What is happening?
- What is the most important idea?
- Am I understanding what I am reading?
- What do I expect to happen next?
- What will I learn from reading this text?

After
- What happened, why did it happen?
- How did this match my predictions?
- What did I learn?
- What did the main character do?
- What else might have happened

Over time, QParents will become an integral part of how we communicate with parents. Get on board now to enjoy the ease and convenience that QParents offers.

KALKIE KIDS PLAYGROUP
Last week, it was the Kalkie Kids Playgroup Olympic Games 2016!

Everyone came dressed in their favourite colour and we had lots of fun and games, activities, races, and obstacle courses to complete. Everyone received their very own medal and certificate. A big congratulations to all our little competitors and a huge thanks to the year 6’s who came down and helped with the set up and pack up of the equipment.

If you would like to come along to Playgroup and meet some new friends, we meet in the Prep room closest to
the road, every Wednesday morning during the school term from 9-11. Cost is only $2 per family and everybody is welcome!

Why does Cinderella never win at the Olympics? She has a pumpkin for a coach, and always runs away from the ball.

Have a great week!
Kath

The gifts are priced between $1 - $5 and are available on Wednesday only. Each class has a table that they visit our pop-up shop during the school day and the kids love having the opportunity to choose something special to buy for this occasion.

**SCHOOL BANNER & MARQUEE**

We have recently purchased a Wave Banner and Large Marquee with the school logo and name printed on them. These items will be a used primarily at sporting and other events away from school to make us easily recognisable and to help promote Kalkie when our students are out at community events. We know these items will be an asset to Kalkie, providing shade for our staff and students as well as being a tool for promoting school pride and belonging. Thank you to all who support our fundraising efforts to make these purchases possible.
