FROM THE PRINCIPAL’S PEN

Kalkie 5 C
This month we are focusing on Courtesy so let’s show the kids how to do it. Demonstrate courtesy through your own behavior. One of the fastest ways to instill courtesy in anyone is to show how beneficial courtesy is through proper behavior and kindness. When you practice courtesy regularly, it will become a habit and the people around you will enjoy your thoughtfulness. Courtesy can be as simple as holding open a door or saying “excuse me” after a sneeze, please and thankyou’s are also good. Get the kids to practice with you.

Parent Teacher Interviews
Teachers are currently undertaking interviews with parents to inform them of their child’s progress to date. These meetings are an important avenue for you as parents, to see and hear what your child has been doing over the term and how well they are achieving. Please take the time to see your child’s teacher over the coming weeks.

State Representatives/ State Cupcake Morning
We now have two of our students who are representing our great state in sporting ventures. Kate as you may remember made the Golf team and now Chelsea is the state representative for Softball. These girls are great ambassadors for Kalkie and we are proud to support them in their efforts as representatives for their chosen sport. Therefore, next Wednesday September 14 we are holding a Cupcake Morning Tea and money raised will go towards supporting the financial outlay for both girls. Cupcakes will be sold at Morning Tea time for the cost of $2.00.

HITZ FM
Wednesday September 14 we have Bryce and Tracey here from HITZ FM at 7am broadcasting live from Kalkie SS. There will be lots of activities to get involved in but children coming prior to normal drop off time of 8am MUST be accompanied by an adult. There will be sporting and craft activities as well as demonstrations from Bundaberg Basketball, Rides and Slides, Rhee Tae Kwon-Do, Table Tennis and Bundy Bowl and Leisure. Please come along with your child/ren. The P&C will be holding a sausage sizzle and selling tea and coffee as well.

Welcome
Welcome Mrs Amanda Williamson and Mrs Lisa Rudd to Kalkie. Mrs Williamson is replacing Mrs Hutcheon who is on leave for the rest of the term and Mrs Rudd is replacing Mrs Santo who is on leave for the rest of the year. I am sure these two teachers will do a fantastic job and sincerely wish Mrs Hutcheon and Mrs Santo a wonderful break.

Prep Come and Try
October 12, 9am -11am is an opportunity for any prospective Preps wishing/thinking about attending in 2017 to come along and experience some time undertaking Prep activities. Please get the word of our Fantastic school out there and let people know this is coming up.
Adidas Fun Run
The Fun Run is coming up early next term on Friday October 14. Students are encouraged to get as many sponsors as they can and then choose a prize from the range of the funds raised. Students can also earn better prizes by fundraising online; details are in the booklet that was sent home on Monday. Get that money coming in.

Every Day Counts
While it is coming up to the end of term your child is learning right to the last day so it is important for them to attend school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons.

STUDENT ABSENCES
PH: 41507460

There are still a large number of families using the main office line to report student absences. Please use the student absence line to record your child’s name, class, date of absence, duration of absence and reason for the absence. PH: 41507460

The departments requirements for reporting of students absences is changing in 2017 and it will be best to get into the habit of reporting absences immediately, rather than later.

The visit from the Firemen -

Thanks for visiting Kalkie State School

On Wednesday 24th members from the Bundaberg Fire Service visited the year one classes and spoke to them about the different types of fires and how to stay safe if they are ever involved in a fire. They talked about the safety equipment they wear and use when they attend fires.

On our follow up visit, we were able to see the equipment they have on their trucks. Students were very interested in the large cutting tools they have and of course were delighted to each have a turn spraying water from the large, heavy hose. Did we get sprayed with the water from the hose? YOU BET WE DID! As we cheered and waved goodbye, they put the sirens and lights on for us. It was a fabulous afternoon and we have learnt so much.

Sincere thanks,
Mrs Morrison & im, Mrs Santo & isp

Fire Safety - writing

If you’re on fire you must stop, drop and roll, roll, roll. If you get stuck in a fire, get down low and go, go go. Call triple o - "000". Tell them your address and phone number. They have a fire engine and they wear special suits. You can tell them where you should meet. Always feel the door with the back of your hand. Fraser

When there is a fire you need to call 000 and tell them your address and name. You need to meet at the letter box if there is a fire in your house. You need to stop, drop and roll and you need to get down low and go, go go. The firemen bring big fat hoses to squirt the fire and they have special clothes to put on. They have to have the siren on to make sure the cars get out of the way. They can go through red lights as well because they need to get there very fast. Darcy

If you are stuck in a fire you should call out for help. If you have fire on you, you should stop, drop and roll. If you have a fire in your house you call triple o. You should always meet at the letter box. Fire engines help us. Indy

If there’s a fire in your home you ring triple o. If your clothes catch on fire you have to stop, drop and roll. If you are trapped and the house is on fire, you don’t go and hide. Instead you wait for the firemen. When all of the family are out, the firemen can put the fire out. The firemen have to change into their fire-fighting clothes. Tansia

**Interschool Netball Competition:**
A HUGE CONGRATULATIONS to our “Kalkie Crushers” girl’s netball team for playing in the Div. 1 Interschool Netball Final last week. The girls were defeated by Norville and received the ‘runners up’ award. These girls need to be highly commended as they played in 2 semi-finals the same day and in both games they were behind in goals at half time. With determination and the true “Kalkie fighting spirit” the girls fought back and defeated St Luke’s 10-8 and East 9-7. Not a bad result, being the second best Netball school in Bundaberg. FANTASTIC RESULT to Kelsie, Janae, Hayley, Chelsea H, Tara, Kate, Lani, Taya, Laylah and Kayla. Special thanks also to the parents for transporting and supporting the girls to the games.

Dear Parents/Guardians & Teachers

Duffys Buses is very proud to transport thousands of students to and from school every day safely. On the whole we are very proud of how students conduct themselves. We are very grateful for the respect they show their drivers and how they utilise our card services.

However, from time to time we seem to have some behavioural issues which cause management, drivers, parents and teachers some concern. Some services are more difficult than others. Consequently, we are introducing some greater safety measures that ensures the safety of ALL children on our services.

These measures will be introduced immediately on both the 70 and 72 services and are as follows:

1. Only two students will be allowed in each of the front row seats.
2. All students will need to remove their back backs before they take their seats and sit with their backs firmly against the back rests.
3. We will implement a zero tolerance approach regarding students walking around the bus or moving from their allocated seats.
4. We will be monitoring these services to ensure students are travelling safely.

Please Note: Bargara & Kalkie schools have been notified.

Duffy’s Buses would like to work closely with parents and teachers in an effort to keep our students, bus drivers and the general public safe at all times. We thank you in advance for your cooperation and understanding.

Kind Regards
