Grandparents Day
Next Friday 8.40-11am we are recognising and celebrating those very significant people who often play a huge role in the lives of children, that’s right GRANDPARENTS. Please encourage your child’s grandparents to come and join us. The morning will start with parade, then the grandparents will have an opportunity to visit their grandchild’s classroom to participate in activities and at 10.30am we will finish off with morning tea. Help us celebrate the special role these wonderful people have. For catering purposes can you please call the office on 41507444 and let us know if grandparents are attending. It will be great to see them!

Prep Come and Try
Prospective students for 2017 spent Wednesday morning in prep getting a feel for what it is going to be like next year. It was a great morning and they participated in a variety of activities.

Enrolments for 2017
It is that time of the year again to start planning for next year. If you are aware of families who are looking for the best school to enrol, please ask them to call the office and I will gladly take them for a tour and let them know all the wonderful things that happen at Kalkie. In addition, if you will be leaving us next year we would appreciate a call. Thanks.

Cooperation at school
To have real cooperation at school everyone needs to keep the school rules. These rules have been put into place to keep everyone in the school community safe and cared for.

- Cooperation is an important value
- Excellence (everyone trying hard to do their best in everything)
- Fairness (everyone having an equal chance and being treated the same)
- Integrity (which is about honesty in the way we act and speak)
- Respect (for ourselves, others and property)
- Responsibility (for ourselves, our belongings and our actions)

Pupil Free Day
Next Monday October 17 is a Pupil Free Day. This day, only the staff come to school and participate in professional activities or planning. Quite a number of staff are undertaking First Aid training which will take all day while others will be involved in preparation for the rest of the term. I hope all the students have a wonderful long weekend.

House Call Doctor
House Call Doctor have a local schools and sporting initiative providing a give back program. When a person downloads the House Call Doctor App and adds a patient, they have an opportunity to nominate a school or club their child is part of. Each time a booking is made and completed for that patient, a point is awarded to their nominated school or club. Each quarter
the points are converted to a dollar amount and given to the school or club. If you use the House Call Doctor and nominate Kalkie you will be contributing to some possible extra resources for our school. Tell your family and friends about this as well.

Adidas Fun Run

Tomorrow Friday October 14 after parade we are holding the Fun Run. While the objective is to raise money for the P&C it is also an opportunity to have a bit of fun. Students still have time to get more sponsors; the more money raised the greater options they have of prizes to choose from. Please feel free to come along and watch the run. (Forms and money due Friday 21st October)

KALKIE KIDS PLAYGROUP

Welcome back everyone!!
Kalkie Kids has been enjoying being back catching up with all of our friends. We tried a new kind of painting last week that puffed up when we put it in the microwave. We love playing with our playdough again, and our paint with water pictures, and last week we also had a giant colouring in page to decorate. It was great to be back visiting the library for Ms Rose’s story as well.
A big thanks also to one of our Kalkie students, Hayley, who spent her Friday night handing out brochures at Riverfeast, advertising Playgroup and our Prep Try Day which was on this week.
